THE REAL SCIENCE OF
POLYMER ACTIVATION

PROUDLY DISTRIBUTING

POLYBLEND®

World Leader in automated polymer feed systems.
Make your polymer work harder

MICROCLOR™

On-site sodium hypochlorite generation.
Making bleach made easy

MONOCLOR™

Chloramine management systems.
Monitor & maintain tank stored water equilibrium

PRAB

Industrial wastewater treatment systems.
Reduce or eliminate (ZLD) your liquid disposal

ENCHLOR

Economical chlorination equipment.
Alternatives for gas feed systems

POLYBLASTER™

Proprietary non-ammoniated polymer cleaning solution.
Try it today, contact Indachem for a sample
